I sent to you a copy of the letter I rec'd from Carrier's attorney regarding past payments by Carrier. This clears up the confusion on the past bills. I have several comments I would like to discuss on the billing letter package I rec'd some time ago. Let me know when you would like to discuss this. I will be in all next week.

Beth and Ray- please join us to discuss this if you so desire; just let either Felicia or myself know if you want to attend.

Pete
